

CLASS 6010

Type FP Air Circuit Breakers

Application Data

time current curves—short delay
curve plotted with pickup at 7.5 times

current in times pickup

type FP breaker

TD-2 — Timing Device — Long Delay and Short Delay
Selective Service tripping device
Short delay (min., inter., max.) Short delay pickup 5, 7.5, 10 times
Long delay band adjustable (min., inter., max.)

curve no. G-908150
